These Newly tooled models feature 'IBC' connecting pins AND our Magnetic connecting system and are decorated with detailed prototype printing. Our JTC container series offer Multiple door styles and variants to match prototypes - 7 on this 40' HC model. Models come in packages of TWO, unless noted otherwise. The IBC pins Mate with JTC 40' HC containers with Magnets, JTC 20' containers with Magnets; JTC Open/Canvas top containers with Magnets, Atlas 40' container, JTC Retro-fit underframes, and future JTC 1:160 scale containers.

JTC containers are lettered as per photographs, so variances will happen from any official lettering layout, as per photos. We do not use a generic layout, sometimes lettering layout from one company to another will be the same, or similar, and sometimes layouts will vary within the same company or scheme. Lettering Layouts can also vary with the door type within the same company.
